

MHOAA Minutes

December 8, 2008

The following is a synopsis of our meeting:

Sandy will send a letter to all MHOAA members (individual and state) that it is time to renew memberships for 2009.

Terry (Newsletter Chair) stated that few have responded to her request for each state to forward an article which could be used in the MHOAA Quarterly Newsletter. The same is true for bio's of board members. The deadline is December 12th.

Peter (Website Chair) stated he has not had a response from an e-mail to Bill Baird MHOAA Webmaster. He was encouraged to re-send it in case the original was not received.

Lois shared that she has recently spoken with Ed and that he does desire to chair the Legislative Policy Committee. He is aware that others are serving on that committee.

Dave and Terry agreed to forward a draft of their suggestion for a letter of introduction of MHOAA to Tim. Tim, after adding his comments, would forward it to the Legislative Committee for approval. Then it would go to the board members for their thoughts. This letter is intended to be sent to Congress and Federal Senators after approval.

Russ McPherson
Secretary
